

## **Lightbeam Health Solutions' Population Health Management Version 2.1 Earns ONC Health IT Certification from Drummond Group LLC**

**IRVING, Texas – May 9, 2017** – Lightbeam Health Solutions Population Health Management Version 2.1 has achieved Office of the National Coordinator for Health Information Technology (ONC-Health IT) 2015 Edition Health IT Module Certification via Drummond Group LLC, an Authorized Certification Body (ACB) that has been empowered to test software for compliance with the requirements of the federal government's program. The stamp of approval designates that the software offers the functionality that enables eligible providers and hospitals to meet Meaningful Use requirements, qualifying these organizations to receive payments under the ongoing EHR adoption program.

"Lightbeam's population health management solution assists healthcare teams in their efforts to provide actionable data in the right place at the right time to improve financial and clinical outcomes," said Pat Cline, CEO of Lightbeam. "We're proud that our population health management product received ONC HIT certification, which further supports our ability to help healthcare organizations deliver the information needed to close care gaps, increase patient engagement and reduce costs."

To earn the certification, Lightbeam Health Solutions Population Health Management Version 2.1 was tested to be in accordance with applicable standards and certification criteria put forth by the Department of Health and Human Services (HHS).

With more than 15 years of testing expertise across various industries, Drummond Group LLC (DG) brings a high level of technical expertise to this process. Its healthcare experience also runs deep, having certified hundreds of EHRs since becoming an ACB in 2010.

Lightbeam Health Solutions Population Health Management Version 2.1 is 2015 Edition compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services.

Drummond Group is accredited by ANSI and approved by ONC for the ONC Health IT Certification Program to certify: Health IT Module(s) and Certification of other types of Health IT for which the Secretary has adopted certification criteria under Subpart C of 45 CFR.

Lightbeam Health Solutions Population Health Management Version 2.1 was 2015 Edition certified on December 29, 2016. The ONC certification ID number is 15.04.04.2945.Ligh.21.0.1.161229.

### Modules tested:

- 170.315 (c)(2,3): Clinical Quality Measures – import and calculate (2) and record (3)
- 170.315 (d)(1-3,5): Authentication, Access Control, Authorization (1), Auditable Events and Tamper Resistant (2), Audit Report(s) (3), and Automatic Access Time-Out (5)
